

THE ROAD TRIP

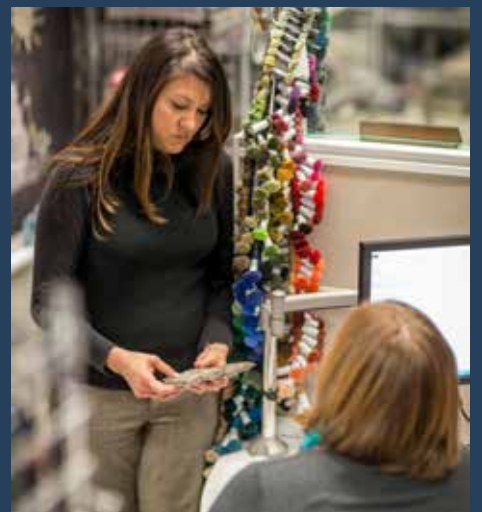

Join us for a customized learning experience

Headquartered in Dalton, GA in the foothills of the Appalachian Mountains, guests have the option of experiencing and overnighting in Chattanooga, TN (located 30 miles north of J+J) or at the Farm, a private world-class golf resort founded by Bob Shaw.

The purpose of the J+J Road Trip is to provide design and facilities professionals a solid foundation in the design, engineering and manufacturing of commercial carpet. During their visit, attendees will acquire the knowledge and confidence to make more informed product recommendations and selections.

Guests will tour and observe the carpet manufacturing process, engage with our product designers in the design studio, and learn how to work with product and manufacturing specialists to facilitate the custom-design process.

LEARNING OBJECTIVES:

- Insight into current trends influencing commercial interiors
- Factors that drive new product concepts
- The development and use of color, pattern and texture
- All stages of manufacturing: fiber extrusion, yarn processing, dyeing, tufting, and finishing

Please contact your J+J representative for more information.
