

# Endure® Plus Broadloom Backing

J+J Flooring Group's cushion backing system for broadloom products offers increased performance, comfort and durability – all with a lifetime warranty.

## Features and Benefits

- Attached polyurethane cushion provides improved appearance retention, increased acoustical benefits, additional thermal insulation and superior comfort underfoot
- Contains pre-consumer and post-consumer recycled content and contributes to LEED
- Recyclable through the J+J Flooring Group Reclamation Program
- Utilizes rapidly renewable resources and supports initiatives for high performance sustainable products
- Seams can be sealed non-toxically
- Contains no PVC, chlorine or plasticizers
- Environmental Performance Technology®

## Lifetime Broadloom Performance Warranties

- Protection from delamination failure
- Tuft bind strength (edge ravel, yarn pulls and zippering)
- Moisture barrier
