

eKo® Modular Limited Lifetime Warranty

J+J Flooring Group extends certain warranties which cover products manufactured with eKo® Modular backing. These warranties protect the original end use purchaser against performance deficiencies in specific categories. The length of time covered by each warranty listed below is for the useful life of the carpet, provided that (1) the carpet is installed using the full spread adhesive or TileTabs method and other guidelines described in the J+J Flooring Group's carpet installation instructions and (2) the carpet is maintained in accordance with the J+J Flooring Group's carpet maintenance instructions.

NOTE: *The use of J+J Flooring Group's eKoTac® + Modular Adhesive or appropriate TileTabs® is required. Appropriate amount of adhesive or TileTabs must be ordered with the carpet to receive the lifetime material warranty. Failure to order the adhesive or TileTabs will result in voided warranties.*

eKo Modular orders will not be accepted unless eKoTac® + Modular Adhesive or appropriate TileTabs® are ordered.

Warranties

For carpet backed with eKo Modular, the following lifetime warranties apply:

Tuft Bind (edge ravel, yarn pulls, zippering): Under normal use, carpet will not fail to perform due to insufficient tuft bind as evidenced by edge ravel, yarn pulls or zippering.

Delamination: Under normal use, carpet will not fail to perform due to the delamination of the secondary backing.

Dimensional Stability: Under normal use and atmospheric conditions, eKo Modular is dimensionally stable and will not shrink, grow, cup or dome.

Should our eKo Modular product fail to perform as warranted above, J+J Flooring Group will resolve the deficiency at its discretion by one or more of the following methods at no charge for materials, freight and labor: A) repair the affected area, B) replace the affected area with comparable product, or C) refund the full purchase price of the product in affected area. If carpet is to be replaced, areas must be cleared at the customer's expense of all equipment, furnishings, partitions, and similar materials that may have been placed over the carpet subsequent to completion of the original installation. In the event replacement is to be made for carpet that is not a current product manufactured by J+J Flooring Group, replacement will be made with a comparable style from the current product line.
