# Function Structure

## INSPIRATION

The precision and unique elements of architectural design that determine the functionality of a structure are the inspiration for our latest collection, Structure and Function.

Function has a molded wash of pattern across the plain with a subtle hint of texture, suggesting movement and light. Structure has a clean form with a pristine nubby appearance – the perfect proportional complement to Function.

Function’s 18”x 36” tiles and Structure broadloom are available in 9 saturated neutral shades, and are the perfect balance of shape and color to create a canvas base that highlights the architectural surroundings in a space.

**COORDINATES**

Beyond the beauty of individual products, our flooring coordinates effortlessly across all of our product platforms - modular carpet tile, broadloom, LVT and Kinetex textile composite flooring. This offering enables you to blend a range of designs with tonal simplicity to create palettes that reflect the demands of each unique space.

FIBER

**Encore® SD Ultima® Nylon**  
(with recycled content) is specifically engineered to maximize appearance retention with exceptional color, performance, sustainability, and practicality.

FIBER OPTION

**Encore® 100**  
The high recycled content incorporated into Encore 100 nylon provides a reduced environmental impact without compromising quality or color clarity.

- » 100% post-industrial (pre-consumer) recycled content
- » Full inclusion into the J&J Flooring Reclamation Program
- » Lifetime warranty for stain removal, colorfastness, wear and static
- » See sales rep for for availability and price

MOISTURE

Are high levels of moisture in your concrete slab causing issues with your project’s floor covering? We can help.

- Nexus® Modular Carpet with TileTabs – 99% RH
- » Cost-efficient
  - » Long-term performance
  - » Straightforward, easy-to-understand warranty
  - » Requires no special floor preparation

TECHNOLOGIES

**ProTex® Anti-Soil Treatment**  
ProTex is a proprietary anti-soil treatment technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanability. It is standard on all J+J Flooring products.

OPTIONAL:  
**ProSept® Antimicrobial**  
**Sentir® Advanced Odor-Blocking Technology**

STANDARD BACKING

**Nexus® Modular** products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

- » Manufactured in an ISO 14001 certified facility
- » Contains pre-consumer recycled content and contributes to LEED and other sustainable building standards
- » Eligible for landfill diversion through the J+J Flooring Reclamation Program

**PremierBac® Plus** is standard on broadloom products and provides superior construction to ensure solid dimensional stability for broadloom carpets.

- » Stretch-in or glue-down installation
- » Manufactured in an ISO 14001 certified facility
- » Contains pre-consumer recycled content and contributes to LEED
- » Recyclable through the J+J Flooring R4 Carpet Reclamation Program

OPTIONAL BACKING:

**Advance Modular Carpet Backing™** is engineered to provide outstanding performance, protection and stability that is required of modular carpet systems.

- » PVC-Free
- » Contains recycled content and contributes to LEED
- » Eligible for landfill diversion through the J+J Flooring Reclamation Program

OTHER BACKING OPTIONS:

**Nexus® Cushion**  
**Nexus® FC Cushion**

ADHESIVES

**Commercialon® Premium Carpet Adhesive** is formulated for the most demanding interior carpet installations. It forms a powerful bond with stiff and heavy backed commercial carpets directly over approved substrates. It is quick setting, features antimicrobial protection and can be removed easily. This solvent free adhesive is also low in odor, meeting the low VOC emission criteria of the CRI Green Label Plus Indoor Air Quality. Commercialon Premium Adhesive is for use with broadloom PremierBac Plus, TitanBac® Plus and Endure Plus backings systems.

**Commercialon® Premium Modular Adhesive**  
A high strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC backed carpet to the floor. This premium adhesive is for use with all Nexus Modular Tile products. This adhesive is guaranteed for the life of the installation when used in accordance with the J+J Flooring Carpet Installation Handbook. Commercialon Premium Modular Adhesive meets the CRI Low-VOC Emission Criteria, CRI ID# PSA-425402. Commercialon Premium Modular Adhesive is non toxic, has ultra-low odor and is antimicrobial in the dry state.

OPTIONAL:  
**TileTabs - High Tack Adhesive Tabs** (modular only)

MODULAR INSTALLATION METHODS

©2025 J+J Flooring Group, LLC - This unique design is protected under the U.S. Copyright Act of 1976. Any unauthorized copying or duplication of this design constitutes copyright infringement in violation of federal law. Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.

These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting, and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer’s, and not J+J Flooring’s responsibility.
