J+J FLOORING 24-7 ORDER ONLINE

Fast. Convenient. Efficient.

We know your time is valuable and sometimes schedules aren't limited to bankers' hours. That's why we're always exploring ways we can streamline the order placement process.

J+J Flooring 24-7 allows you to place, monitor and pay for orders online at any time. Of course your customer service rep is just a phone call or email away during office hours.

ONLINE INVENTORY

We have a robust selection of inventory that's ready to go! Check out our online inventory portal "Off-the-Shelf" and select the products you need by type of flooring, pattern and color. Most orders ship within 24 hours.

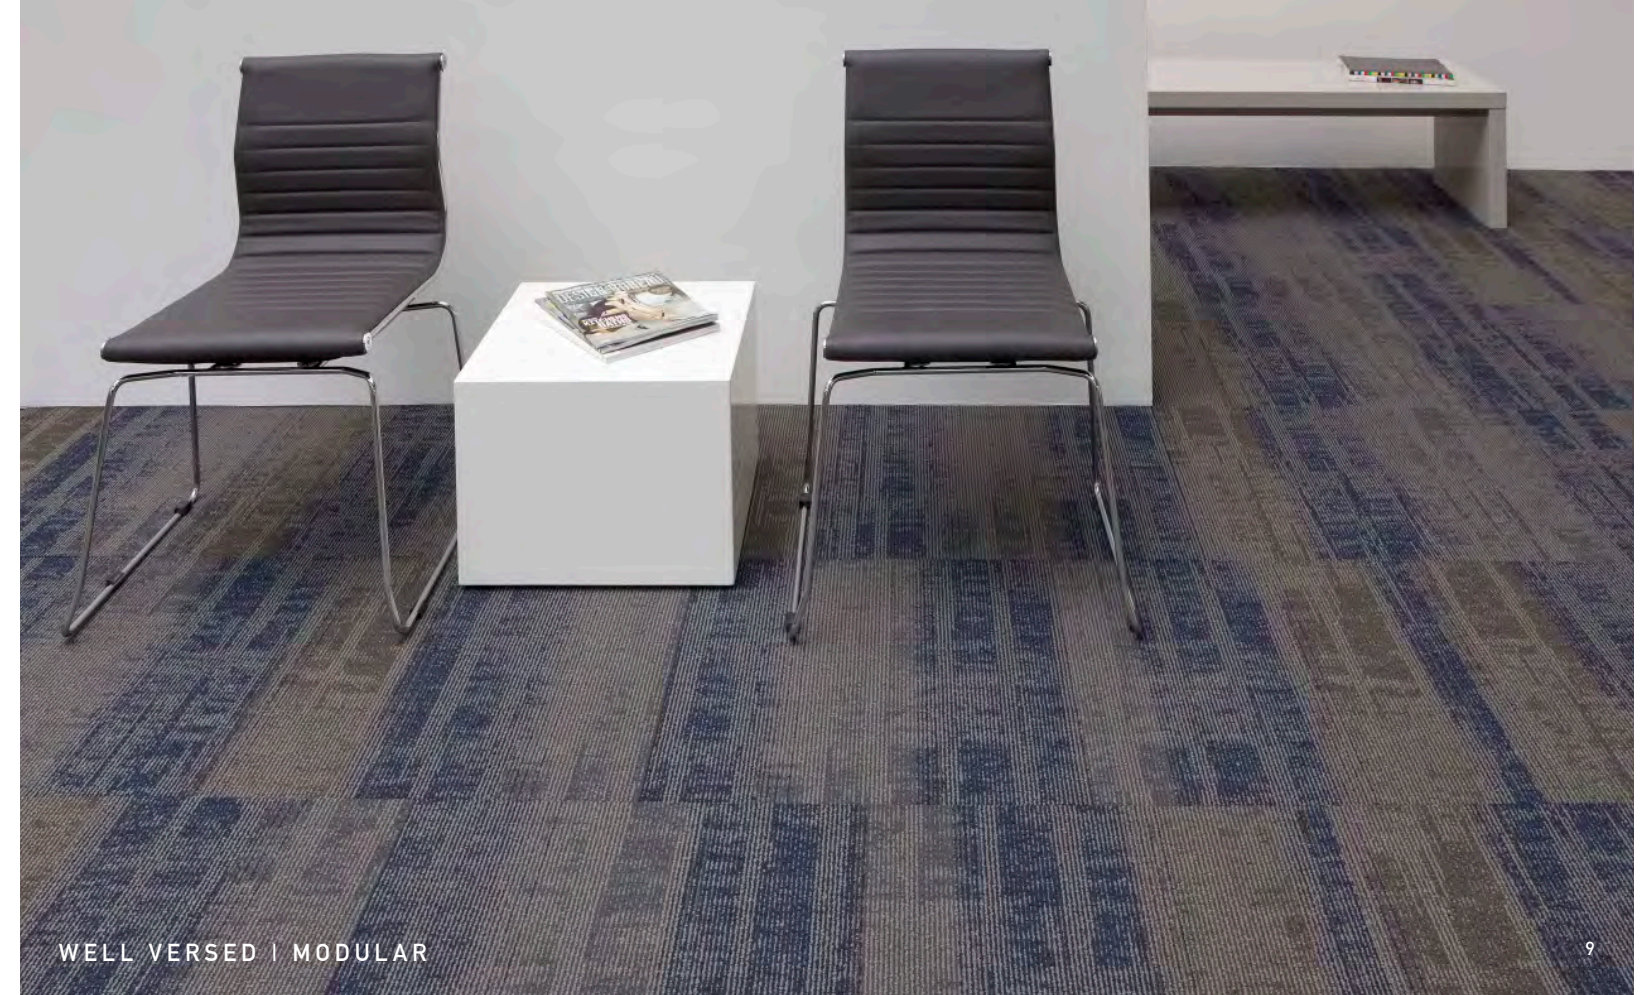

BOUCLE | MODULAR AND BROADLOOM

CATALYST | KINETEX

FUSION | LVT

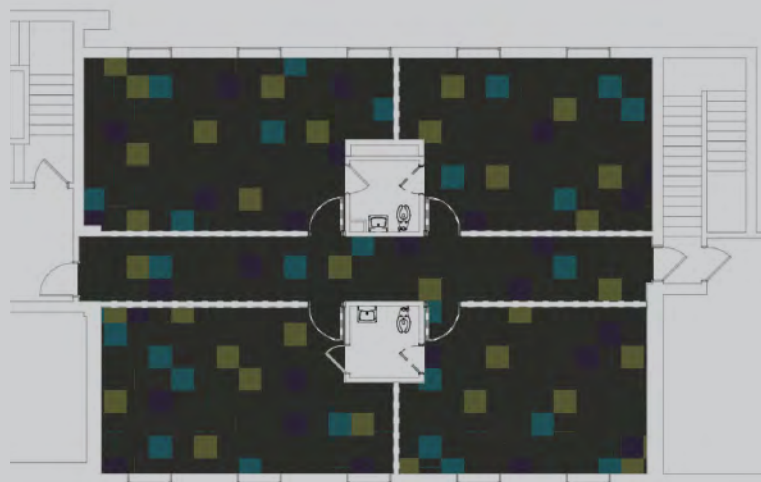

WELL VERSED | MODULAR

VISUAL SOLUTIONS

Innovative services and programs to make your job easier and help you grow your business.

Product and space renderings that will close the deal. Our team of digital imaging specialists can render your customers' spaces with any of our products that simplifies and accelerates the selection process. Turn-around time for most rendering packages is less than 48 hours.

FLOORPLAN RENDERINGS

Need it now? Digital Canvas is our award-winning online visualizer that provides instant gratification.

Just upload a picture of your space, choose your product, and get a real-time rendering you can share with clients. Visit jjflooring.com to try out Digital Canvas.

SERVICE

Our customer-support team, the industry's most experienced and knowledgeable experts—their mission is to serve you.

On-site technical assistance with job start-ups and maintenance consultation and training. Our experts stand ready to assist at no cost to you!

Collectively, they travel hundreds of thousands of miles every year to provide proactive on-site assistance to your crews with the most challenging installations.

No matter how complex or unique, our team has the experience and expertise to assist in a successful installation that your customer will appreciate.
