Fiction II
Non-Fiction II

J+J FLOORING

Fiction II + Non-Fiction II

INSPIRATION

Whether it's a leather-bound first edition or a backlit digital edition, literature has the power to leave lasting imprints that shape our lives. The Fiction II and Non-Fiction II series speaks volumes about a space's colorful character. Fiction II adds a hint of intrigue and innuendo by incorporating a surprising infusion of color.

If Fiction II has too much action for you, consider combining Fiction II with Non-Fiction II to create a one-of-a-kind space that defines location and function. Non-Fiction II is an abstract interpretation of the lines one would find on the pages of today's bestsellers. Just as the drama of a true account escalates and then retreats as the story builds, so does the patterning of Non-Fiction II.

FIBER

Encore® SD Nylon (with recycled content) is specifically engineered to maximize appearance retention with exceptional color, performance, sustainability and practicality.

MOISTURE

Are high levels of moisture in your concrete slab causing issues with your project's floor covering? We can help.

- » Nexus® Modular Carpet with TileTabs – 99% RH
- » Cost-efficient
- » Long-term performance
- » Straightforward, easy-to-understand warranty
- » Requires no special floor preparation

BACKINGS

Nexus® Modular products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

- » Manufactured in an ISO 14001 certified facility
- » Contains pre-consumer recycled content and contributes to LEED
- » Recyclable through the J+J Flooring's R4 Carpet Reclamation Program

TECHNOLOGIES

ProTex® Anti-Soil Treatment
ProTex is a proprietary anti-soil treatment technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanability. It is standard on all J+J Flooring products.

OPTIONAL:
ProSept® Antimicrobial
Sentir® Advanced Odor-Blocking Technology

ADHESIVE

Commercialon® Premium Modular Adhesive is a high strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC backed carpet to the floor. This premium adhesive is for use with all Nexus Modular Tile products. This adhesive is guaranteed for the lifetime of the installation when used in accordance with the J+J Flooring installation instructions. Commercialon® Premium Modular Adhesive meets the CRI Low-VOC Emission Criteria, CRI ID# PSA-425402. Commercialon® PremiumModular Adhesive is non toxic, has ultra-low odor and is antimicrobial in the dry state.

OPTIONAL:
TileTabs – High Tack Adhesive Tabs (modular only)
