Well Versed II

INSPIRATION

Like a literary masterpiece, Well Versed II builds a compelling narrative of intricately-weaved pattern depth within a shifting theme of colorways. The soft organic geometric gradations fade into muted neutral undertones creating a non-directional design feel for modern interiors. Four new colors join the original Well Versed's cast of desaturated grays, blues and soft taupes. Available in 24"x24" carpet tile.

Any unauthorized copying or duplication of this design constitutes copyright infringement in violation of federal law. Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.

These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting, and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer’s, and not J+J Flooring’s responsibility.
