

VOLUME 6

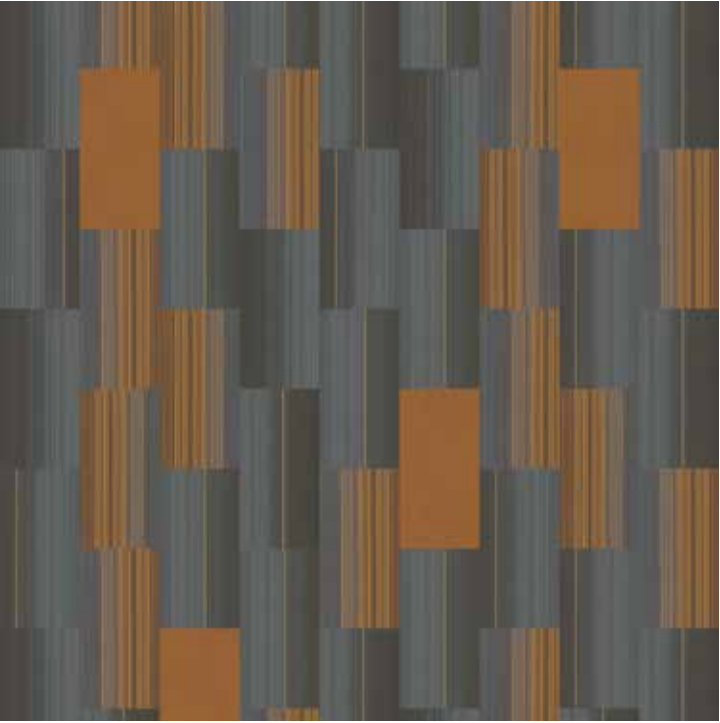

SHIFT

J+J

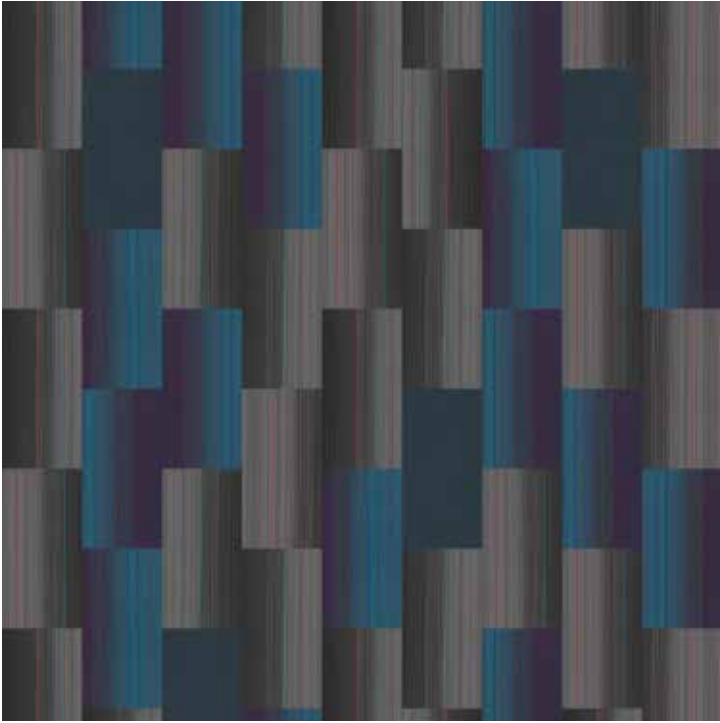

YOU NEVER KNOW
WHEN INSPIRATION MIGHT
STRIKE

An exploration of inspiration from J+J Flooring Group. Designed to change perspectives and spark new ideas, Shift is about color and creativity, bold decisions and beautiful statements. It challenges us to see the floor as a blank canvas, limited only by the stretches of our imagination. We hope it does the same for you.

When we seek out inspiration, it can be hard to come by — or it's fickle, or it's fleeting. But when we open ourselves up to inspiration, and we let it find us — it always does. Be it a thing or a thought, a moment in time or a state of being, a part of the natural world or a piece of the one we've built. Inspiration is everywhere.

broadloom + modular carpet

J+J offers inspired broadloom and modular commercial carpet solutions with an unwavering commitment to quality and performance.

kinetex

Award-winning Kinetex is a textile composite flooring that combines the key attributes of soft-surface floor covering with the long-wearing performance characteristics of hard-surface flooring.

lvt

With some of the most advanced Luxury Vinyl Tile products on the market, our leading edge collections were thoughtfully selected to coordinate with J+J carpet and Kinetex products. They can also make a strong design statement all on their own for any project application.
