FRACTURED PLAID / TWILL WEAVE

From our establishment in 1957, we have become one of the oldest exclusive manufacturers of commercial flooring in the United States. As one of the largest privately held mills, our FAMILY-OWNERSHIP provides a heritage of proven performance and expansive industry knowledge. Most importantly, our focus has always been on people... ensuring them that our products deliver the highest levels of BEAUTY, PERFORMANCE and DEPENDABILITY.

product details

FIBER

Encore® BCF Nylon with ColorLoc® Plus

Encore BCF nylon with ColorLoc Plus is manufactured to offer exceptional color, performance and appearance retention. Carpet using Encore BCF nylon with ColorLoc Plus - our patented stain resistant technology - is engineered to resist permanent staining and is backed by Lifetime Performance Warranties for stain resistance, colorfastness, color transfer, water bleed, bleach resistance and wear.

BACKINGS

Nexus® Modular

Nexus modular products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

- Manufactured in an ISO 14001 certified facility
- Contains pre-consumer recycled content and contributes to LEED
- Recyclable through the J+J Flooring Group's R4 Carpet Reclamation Program

MOISTURE

Are high levels of moisture in your concrete slab causing issues with your project's floor covering? We can help.

- Nexus® Modular Carpet with TileTabs 99% RH
- Cost-efficient
- Long-term performance
- Straightforward, easy-to-understand Lifetime warranty
- Requires no special floor preparation

Adhesive

Commercialon® Premium Modular Adhesive

A high strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC backed carpet to the floor. This premium adhesive is for use with all Nexus Modular Tile products. This adhesive is guaranteed for the life of the installation when used in accordance with the J+J Flooring Group Carpet Installation Handbook. Commercialon Premium Modular Adhesive meets the CRI Low-VOC Emission Criteria, CRI ID# PSA-425402. Commercialon Premium Modular Adhesive is non toxic, has ultra-low odor and is antimicrobial in the dry state.

OPTIONAL:

TileTabs - High Tack Adhesive Tabs (modular only)

TECHNOLOGIES

ProTex® Anti-Soil Treatment

ProTex is a proprietary anti-soil treatment technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanability. It is standard on all J+J Flooring Group products.

OPTIONAL:

corporate programs

Green Circle - Zero Waste to Landfill **Operations Certification**

We are proudly certified as a Zero Waste to Landfill manufacturer by GreenCircle Certified, LLC., a prominent third-party certifier of environmental claims. We are the first commercial flooring manufacturer in the United States to achieve this landfill free status and the first company in the industry to have its waste diversion efforts audited and verified by a recognized, third-

lifetime	lifetime	1 year	90% RH, pH 9	99% RH, pH 11 (Tiletabs) 97% RH, pH 11 (Commercialon)

Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.

These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting, and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer's, and not J+J Flooring Group's responsibility.
