INVISION
INCOGNITO / ALTER EGO
From our establishment in 1957, we have become one of the oldest exclusive manufacturers of commercial flooring in the United States. As one of the largest privately held mills, our FAMILY-OWNERSHIP provides a heritage of proven performance and expansive industry knowledge. Most importantly, our focus has always been on people... ensuring them that our products deliver the highest levels of BEAUTY, PERFORMANCE and DEPENDABILITY.

product details

FIBER

Encore® SD Nylon (with recycled content)

Encore SD is specifically engineered to maximize appearance retention with exceptional color, performance, sustainability and practicality.

ADHESIVES

Commercial® Premier Modular Adhesive

A high strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC backed carpet to the floor.

Nexsus® Modular

Nexus modular products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

BACKINGS

Nexus® Modular

Nexus modular products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

TECHNOLOGIES

ProTex® Soil Release

ProTex is a proprietary fluorochemical technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanliness. It is standard on all J+J Flooring Group products.

ProTex works similarly to the technology used in nonstick cookware by lowering the surface energy of the fibers which increases soil release properties. Very small soil particles cause carpet to appear dull. Thanks to ProTex, small soil particles are effectively removed by vacuuming or wet cleaning.

OPTIONAL:

ProSept® Antimicrobial

Sentrix® Advanced Odor-Blocking Technology

corporate programs

Green Circle - Zero Waste to Landfill Operations Certification

We are proudly certified as a Zero Waste to Landfill manufacturer by GreenCircle Certified, LLC., a prominent third-party certifier of environmental claims. We are the first commercial flooring manufacturer in the United States to achieve this landfill free status and the first company in the industry to have its waste diversion efforts audited and verified by a recognized, third-party certifier.

We have a Zero waste goal. In 2017, J+J Flooring Group was the first commercial flooring manufacturer to achieve Zero Waste to Landfill certification. This program is audited by a recognized, third-party certifier.

To learn more about zero waste or our other initiatives see our sustainability progress report online at jjflooringgroup.com/sustainability

We're on it.
The J+J Flooring Group Promise Customer Experience.

Our Premium Customer Experience is a carefully crafted process by which we guarantee that our customers will get the products, services and the reliability they expect from us.

physical testing

- Flooring radiant panel (class 1)
- Pill test (passes)
- Smoke density (less than 450) flaming
- Static generation (less than 3.5 kJ) ASA compliance (compliant for accessible routes)
- Lifetime dimensional stability
- Lifetime against delamination (edge ravel, yarn pulls, zippering)
- Lifetime fiber performance for wear (compliant for accessible routes)
- ADA compliance
- Lifetime fiber performance for static (less than 450 for accessible routes)
- Lifetime stain removal
- Lifetime colorfastness to light and atmospheric contaminants (less than 450)
- Lifetime colorfastness to light and atmospheric contaminants (less than 450)
- Lifetime against degradation (edge ravel, yarn pulls, zippering)
- Lifetime against degradation (edge ravel, yarn pulls, zippering)

warranties

- Lifetime fiber performance for wear
- Lifetime fiber performance for static
- Lifetime stain removal
- Lifetime colorfastness to light and atmospheric contaminants
- Lifetime for touch strength (edge ravel, yarn pulls, zippering)
- Lifetime against degradation
- Lifetime dimensional stability
