**INSPIRATION**

The charm of Shibori fabric dyeing technique, along with the cracked cotton intricacy of Batik printed fabric, provide the inspiration for Dapper. Color and pattern diffuse into each other, rendering a soft organic geometric motif that creates a free-spirited aesthetic that will express your individuality; from elegant to playful, no two outcomes will be the same.

A down-to-earth palette of neutral colors, along with relaxed warm, bright colors set the tone for carefree, dapper interiors. These 12"x48" planks directly coordinate with Jack.
