INSPIRATION

Inspired by the colors and textures of rocky glens and fretted terrains, Mineral offers a 24" x 24" modular product that brings a classic look to multiple decors. Designed to balance performance and aesthetics, the seven near-solid colorways (four quick ship) of muted mossy greens, heathered grays and hazy chestnuts coordinate beautifully across our product portfolio.

FIBER

Encore® SD Nylon (with recycled content) is specifically engineered to maximize appearance retention with exceptional color, performance, sustainability and practicality.

Encore® Nylon with ColorLoc® Plus is manufactured to offer exceptional color, performance and appearance retention. Carpet using Encore nylon with ColorLoc Plus - our patented stain resistant technology - is engineered to resist permanent staining and is backed by Lifetime Performance Warranties for stain resistance, colorfastness, color transfer,water bleed, bleach resistance and wear.

MOISTURE

Are high levels of moisture in your concrete slab causing issues with your project’s floor covering? We can help.

- » Nexus® Modular Carpet with TileTabs – 99% RH
- » Cost-efficient
- » Long-term performance
- » Straightforward, easy-to-understand warranty
- » Requires no special floor preparation

BACKINGS

Nexus® Modular products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

- » Manufactured in an ISO 14001 certified facility
- » Contains pre-consumer recycled content and contributes to LEED
- » Recyclable through the J+J Flooring’s R4 Carpet Reclamation Program

TECHNOLOGIES

ProTex® Anti-Soil Treatment
ProTex is a proprietary anti-soil treatment technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanability. It is standard on all J+J Flooring products.

OPTIONAL:
ProSept® Antimicrobial
Sentir® Advanced Odor-Blocking Technology

ADHESIVE

Commercialon® Premium Modular Adhesive is a high strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC backed carpet to the floor. This premium adhesive is for use with all Nexus Modular Tile products. This adhesive is guaranteed for the lifetime of the installation when used in accordance with the J+J Flooring installation instructions. Commercialon® Premium Modular Adhesive meets the CRI Low-VOC Emission Criteria, CRI ID# PSA-425402. Commercialon® PremiumModular Adhesive is non toxic, has ultra-low odor and is antimicrobial in the dry state.

OPTIONAL:
Commercialon® High Moisture Adhesive
TileTabs - High Tack Adhesive Tabs (modular only)

©2023 J+J Flooring Group, LLC - This unique design is protected under the U.S. Copyright Act of 1976. Any unauthorized copying or duplication of this design constitutes copyright infringement in violation of federal law. Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.

These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting, and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer’s, and not J+J Flooring’s responsibility.
