MODERN UTILITY COLLECTION

Mixed Media First Class Passport

INSPIRATION

The timeless appeal of finely made Italian terrazzo, with its artistic blending of glass, marble and quartz, has been showcased in historical buildings and modern architecture alike. Modern Utility embraces that old-world subtle sophistication and reinterprets it with a modern twist. **Passport** is a medium-scale terrazzo motif with stunning splashes of neutral to moody colored fragmented shades. **Mixed Media** is a beautiful minimalistic pattern, with confetti of flecks in bisque, graphite and sand gently layered over neutral backgrounds. **First Class** features a twinkling of tiny shards that ripple in waves across the tiles, making it a light and airy option. Each style in Modern Utility offers three coordinating colorways in 18" x 36" LVT tiles that will create a unique and elegant visual for the floor.

4. **SYNERGY** // 1861 // 3701 Solar // Kinetex

5. **BLISS** // 6505 + 7505 // 3645 Sandstone // Broadloom + Modular

6. **PASSPORT** // V5049 + V5050 // 1148 Convenient // LVT

7. **PROVISION** // 1831 // 2277 Procurement // Kinetex

8. **SOJOURN** // 7504 // 3645 Sandstone // Modular

9. **RECHARGE** // V5054 + V5055 // 1182 Soothing // LVT

SUSTAINABLY SOUND

J+J Flooring believes true sustainability requires full attention to the potential impacts of every aspect of our business. In accordance with our mission of waste reduction, J+J LVT products are 100% recyclable. You can rest assured that health is also a top priority and all J+J Flooring LVT products are FloorScore Certified.

MOISTURE

Are high levels of moisture in your concrete slab causing issues with your project’s floor covering? We can help.

- » Cost-efficient
- » Long-term performance
- » Requires no special floor preparation

Installed without Commercialon® Premium Sealer	90% RH, pH 9
Installed with Commercialon® Premium Sealer	99% RH, pH 11 (Tiletabs, 5mm) 97% RH, pH 11 Commercialon Adhesive (2.5mm, 3mm)

ZPT ANTI-MICROBIAL TREATMENT

J+J Flooring LVT features a standard enhancement of ZPT (Zinc Protective Technology) anti-microbial. Dispersed into the product during the manufacturing process, ZPT anti-microbial prevents unpleasant odors, degradation and discoloration as a result of microbial contamination. ZPT contains Zinc Pyrithione as the main ingredient with no harmful additives. Zinc Pyrithione is a common dandruff shampoo ingredient and proven to be safe in both household and commercial use. ZPT anti-microbial technology guarantees your J+J Flooring LVT will provide a beautiful, long lasting and safe floor covering for years to come.

COMMERCIALON® PREMIUM ADHESIVE FOR MODULAR CARPET AND LVT

A high strength acrylic latex-based adhesive specifically formulated for bonding modular PVC backed carpet and LVT to the floor. This premium adhesive is for use with all Nexus Modular Tile and LVT products. This adhesive is guaranteed for the life of the installation when used in accordance with the J+J Flooring LVT Installation Handbook. Commercialon Premium Adhesive for Modular Carpet and LVT meets the CRI Low-VOC Emission Criteria, CRI ID# PSA-425402. Commercialon Premium Adhesive is non toxic, has ultra-low odor and is antimicrobial in the dry state.

Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.

These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting, and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer’s, and not J+J Flooring’s responsibility.
