INSPIRATION

The age-old craft of knitting can tell a tale through interlaced texture, design and color. The technique itself is restorative and therapeutic – the result is a creation that invokes feelings of warmth and comfort. Cardigan puts a contemporary spin on this traditional craft with random, shifting striations and shadows of a subtle geometric. Offered in 18" x 36" carpet tiles, its eight cultivated colorways coordinate beautifully with styles Bouclé and Tweed.

Any unauthorized copying or duplication of this design constitutes copyright infringement in violation of federal law. Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.

These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting, and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer’s, and not J+J Flooring’s responsibility.
