

LVT LEGEND

J+J FLOORING

From our establishment in 1957, we have become one of the oldest exclusive manufacturers of *commercial flooring* in the United States. As one of the largest privately held mills, our FAMILY-OWNERSHIP provides a *heritage* of proven performance and expansive industry knowledge. Most importantly, our focus has always been on *people...* ensuring them that our products deliver the highest levels of **BEAUTY**, **PERFORMANCE** and **DEPENDABILITY**.

Legend Epic, ashlar.

When beautiful ribbons of spring water
flow over rock formations,
nature gifts us with the soft, hazy
tone-on-tone striations of legendary
travertine stone.
The subtle tones of pearly alabaster,
earthy browns and deeper ore lay the
foundation for beautiful organic design
that stands the test of time.

Legend Fiction, ashlar.

product details

SUSTAINABLY SOUND

J+J believes true sustainability requires full attention to the potential impacts of every aspect of our business. In accordance with our mission of waste reduction, J+J LVT products are 100% recyclable with up to 25% post-industrial recycled content – a true, safe and reliable stream derived from the manufacturing process.

You can rest assured that health is also a top priority and all J+J LVT products are FloorScore Certified.

MOISTURE

Are high levels of moisture in your concrete slab causing issues with your project’s floor covering? We can help.

- J+J LVT (2.5mm and 3mm) – 97% RH
- Cost-efficient
- Long-term performance
- Straightforward, easy-to-understand 10-year and Lifetime warranties
- Requires no special floor preparation

Warranty: Installed with Commercialon® Premium Adhesive (non-prorated)	Warranty: Installed with TileTabs	Warranty: Installed with any other Adhesive	Max RH, pH: Installed without Commercialon® Premium Sealer	Max RH, pH: Installed with Commercialon® Premium Sealer
10 years	10 years (5mm only)	1 year	90% RH, pH 9	99% RH, pH 11 (TileTabs, 5mm)

ZPT ANTI-MICROBIAL TREATMENT

J+J LVT features a standard enhancement of ZPT (Zinc Protective Technology) anti-microbial. Dispersed into the product during the manufacturing process, ZPT anti-microbial prevents unpleasant odors, degradation and discoloration as a result of microbial contamination. ZPT contains Zinc Pyrithione as the main ingredient with no harmful additives. Zinc Pyrithione is a common dandruff shampoo ingredient and proven to be safe in both household and commercial use. ZPT anti-microbial technology guarantees your J+J LVT will provide a beautiful, long lasting and safe floor covering for years to come.

Green Circle Certification

J+J Flooring strives to manage, and ultimately eliminate, waste in our manufacturing processes. Our steadfast commitment in the pursuit of Zero Waste to Landfill has earned us the industry-leading level of 95% waste diversion certification by a third-party certifier.

To learn more about our waste initiatives, please see our Sustainability Report online at jjflooring.com/sustainability

We’re on it.

Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.

These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting, and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer’s, and not J+J Flooring Group’s responsibility.
