INSPIRATION

With its homage to natural stones and organic textures in soft mixed hues, Multiple Choices Collection offers six styles that offer unique variations to create a subtle, yet dynamic dimension to commercial interiors.

Abridge features a geometric mosaic that emulates folded origami.

Composite offers the look of delicate shell stone marble.

Marble mimics the soft flowing look of scattered veining over an alabaster base.

Parquet is a basketweave of wooden blocks contrasting in light and dark shades.

Segment captures the beauty of crushed glass and granite.

Terrazzo creates an elegant foundation with its soft, subtle granite patterning.

These six LVT styles are available in 3mm and 5mm, in 18"x36" tiles and coordinates across our J+J Flooring product portfolio.

SUSTAINABLY SOUND

J+J Flooring believes true sustainability requires full attention to the potential impacts of every aspect of our business. In accordance with our mission of waste reduction, J+J LVT products are 100% recyclable. You can rest assured that health is also a top priority and all J+J Flooring LVT products are FloorScore Certified.

MOISTURE

Are high levels of moisture in your concrete slab causing issues with your project's floor covering? We can help.

- » Cost-efficient
- » Long-term performance
- » Requires no special floor preparation

Installed with Commercialon® High Moisture Adhesive	99% RH, pH12

ZPT ANTI-MICROBIAL TREATMENT

J+J Flooring LVT features a standard enhancement of ZPT (Zinc Protective Technology) anti-microbial. Dispersed into the product during the manufacturing process, ZPT anti-microbial prevents unpleasant odors, degradation and discoloration as a result of microbial contamination. ZPT contains Zinc Pyrithione as the main ingredient with no harmful additives. Zinc Pyrithione is a common dandruff shampoo ingredient and proven to be safe in both household and commercial use. ZPT anti-microbial technology guarantees your J+J Flooring LVT will provide a beautiful, long lasting and safe floor covering for years to come.

COMMERCIALON® PREMIUM MODULAR ADHESIVE

A high strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC backed carpet to the floor. This premium adhesive is for use with all Nexus Modular Tile products. This adhesive is guaranteed for the life of the installation when used in accordance with the J+J Flooring Carpet Installation Handbook. Commercialon Premium Modular Adhesive meets the CRI Low-VOC Emission Criteria, CRI ID# PSA-425402. Commercialon Premium Modular Adhesive is non toxic, has ultra-low odor and is antimicrobial in the dry state.

OPTIONAL:

Commercialon® High Moisture Adhesive

TileTabs - High Tack Adhesive Tabs (5mm only)

WARRANTIES

We stand behind every aspect of our LVT. Each warranty is covered for 10 years, provided that installation and maintenance is in accordance with J+J Flooring's LVT Installation instructions.

MODULAR INSTALLATION METHODS

* Monolithic is not recommended for styles Abridge and Marble.

©2023 J+J Flooring Group, LLC - This unique design is protected under the U.S. Copyright Act of 1976. Any unauthorized copying or duplication of this design constitutes copyright infringement in violation of federal law.

Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.

These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting, and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer's, and not J+J Flooring's responsibility.
