**INSPIRATION**

Good room design promotes a positive mood – a cozy nook you look forward to relaxing and retreating to - a place you can unwind in. Pinnacle II and Summit II were designed to meet the need for warm, welcoming spaces with soothing colorways and plush textures that create a calming and serene residential retreat.

FIBER

**PureColor® Nylon** is our proven nylon brand for living spaces that represents the most comprehensive and affordable collection of quality, exceptional styling and unprecedented value currently available in the market.

BACKINGS

**Woven Synthetic Backing System** offers superior construction to ensure dimensional stability for broadloom carpets.

OPTIONAL:  
**TitanBac® Plus Moisture Barrier**

APPLICATION

Pinnacle II and Summit II are specifically designed and manufactured for residential use and are not designed for commercial applications. Installations in non-residential applications are excluded from warranty coverage.

ADHESIVE

**Commercialon® Premium Carpet Adhesive** is a premium carpet floor adhesive approved for all carpets and backing systems (except vinyl backed carpets). This adhesive is guaranteed for the life of the installation when used in accordance with the J+J Flooring Carpet Installation Handbook. Commercialon Premium Adhesive meets the CRI Low-VOC Emission Criteria, CRI ID# PSA-425402. Commercialon Premium Adhesive is non toxic, has ultralow odor and is antimicrobi-al in the dry state.

TECHNOLOGIES

**ProTex® Anti-Soil Treatment** is a proprietary anti-soil treatment technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanability. It is standard on all J+J Flooring products.

OPTIONAL:  
**ProSept® Antimicrobial**  
**Sentir® Advanced Odor-Blocking Technology**
