THE FIELDS COLLECTION

Wheat Rye

THE FIELDS COLLECTION

Wheat Rye

INSPIRATION

Rich with imagery and significance, the field is a symbol of provision, peace, and abundance. **The Fields Collection** was inspired by the gentle swaying stalks of grain in the feathery horizons of pastures and meadowlands. **Wheat** is a depiction of tawny wind-swept grasses, billows of amber, and abstract flaxen stalks. **Rye** is an illuminated canopy of furrowed light and shadow through riverbanks of wild grain, reeds gently bent with fallen dew, and soft waves of blue rye grass in late summer. The Fields Collection is a beautiful grouping of two styles, available in 18" x 36" tiles, in nine colorways.

FIBER

Encore® SD Ultima® Nylon
(with recycled content) is specifically engineered to maximize appearance retention with exceptional color, performance, sustainability, and practicality.

FIBER OPTION

Encore® 100
The high recycled content incorporated into Encore 100 nylon provides a reduced environmental impact without compromising quality or color clarity.

- » 100% post-industrial (pre-consumer) recycled content
- » Full inclusion into the J&J Flooring Reclamation Program
- » Lifetime warranty for stain removal, colorfastness, wear and static
- » See sales rep for for availability and price

MOISTURE

Are high levels of moisture in your concrete slab causing issues with your project’s floor covering? We can help.

- » Nexus® Modular Carpet with TileTabs – 99% RH
- » Cost-efficient
- » Long-term performance
- » Straightforward, easy-to-understand warranty
- » Requires no special floor preparation

STANDARD BACKING

Nexus® Modular products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

- » Contains pre-consumer recycled content and contributes to LEED and other sustainable building standards
- » Eligible for landfill diversion through the J+J Flooring Reclamation Program

OPTIONAL BACKING:
Advance Modular Carpet Backing™ is engineered to provide outstanding performance, protection and stability that is required of modular carpet systems.

- » PVC-Free
- » Contains recycled content and contributes to LEED
- » Eligible for landfill diversion through the J+J Flooring Reclamation Program

OTHER BACKING OPTIONS:
Nexus® Cushion
Nexus® FC Cushion

TECHNOLOGIES

ProTex® Anti-Soil Treatment
ProTex is a proprietary anti-soil treatment technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanability. It is standard on all J+J Flooring products.

OPTIONAL:
ProSept® Antimicrobial
Sentir® Advanced Odor-Blocking Technology

ADHESIVE

Commercialon® Premium Modular Adhesive
A high strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC backed carpet to the floor. This premium adhesive is for use with all Nexus Modular Tile products. This adhesive is guaranteed for the life of the installation when used in accordance with the J+J Flooring Carpet Installation Handbook. Commercialon Premium Modular Adhesive meets the CRI Low-VOC Emission Criteria, CRI ID# PSA-425402. Commercialon Premium Modular Adhesive is non toxic, has ultra-low odor and is antimicrobial in the dry state.

OPTIONAL:
TileTabs - High Tack Adhesive Tabs (modular only)

©2025 J+J Flooring Group, LLC - This unique design is protected under the U.S. Copyright Act of 1976. Any unauthorized copying or duplication of this design constitutes copyright infringement in violation of federal law. Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.

These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting, and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer's, and not J+J Flooring's responsibility.
