

Variant

Variant

INSPIRATION

There is beauty in simplicity. Inspired by the capricious depth and shades of brush strokes on canvas, whose layers artfully reveal varying depth of dark and light, Variant creates an immersive balance of color, pattern and texture.

This visually striking introduction was designed to coordinate with Convergent. Both are offered in 12" x 48" modular carpet tile and Convergent is also offered in broadloom. Variant and Convergent feature textured loop patterning, utilizing our patented yarn twisting process, PCT (Precision Color Technology) that adds a natural striation of color and diverse shading throughout the tiles. This modern classic will give noteworthy interiors a smart, sophisticated impact.

COORDINATES

Beyond the beauty of individual products, our flooring coordinates effortlessly across all of our product platforms - modular carpet tile, broadloom, LVT and Kinetex textile composite flooring. This offering enables you to blend a range of designs with tonal simplicity to create palettes that reflect the demands of each unique space.

1. APERTURE II // 9770 // 3108 Shutter // Broadloom *(also available in Modular)*

FIBER

Nylon 6,6 fiber offers superior resistance to crushing, matting, wearing, soiling, staining and static with lifetime performance warranties for wear and static.

BACKINGS

Nexus® Modular products can be installed in a variety of ways and are performance engineered to be visually appealing. In addition, they are designed to accommodate your long-term flooring budget.

- » Manufactured in an ISO 14001 certified facility
- » Contains pre-consumer recycled content and contributes to LEED
- » Recyclable through the J+J Flooring’s R4 Carpet Reclamation Program

ADHESIVE

Commercialon® Premium Modular Adhesive
A high strength acrylic latex-based carpet adhesive specifically formulated for bonding modular PVC backed carpet to the floor. This premium adhesive is for use with all Nexus Modular Tile products. This adhesive is guaranteed for the lifetime of the installation when used in accordance with the J+J Flooring installation instructions. Commercialon® Premium Modular Adhesive meets the CRI Low-VOC Emission Criteria, CRI ID# PSA-425402. Commercialon® Premium Modular Adhesive is non toxic, has ultra-low odor and is antimicrobial in the dry state.

OPTIONAL:
TileTabs - High Tack Adhesive Tabs (modular only)

MOISTURE

Are high levels of moisture in your concrete slab causing issues with your project’s floor covering? We can help.

- » Nexus® Modular Carpet with TileTabs – 99% RH
- » Cost-efficient
- » Long-term performance
- » Straightforward, easy-to-understand warranty
- » Requires no special floor preparation

TECHNOLOGIES

ProTex® Anti-Soil Treatment
ProTex is a proprietary anti-soil treatment technology that is applied and bonded to the pile fiber to impede soiling and to improve cleanability. It is standard on all J+J Flooring products.

OPTIONAL:
ProSept® Antimicrobial
Sentir® Advanced Odor-Blocking Technology

©2020 J+J Flooring Group, LLC - This unique design is protected under the U.S. Copyright Act of 1976. Any unauthorized copying or duplication of this design constitutes copyright infringement in violation of federal law. Due to the unique visual characteristics of modular carpets, pattern repeats and pattern run-off seams may appear more noticeable than in broadloom carpets. Such visual characteristics do not constitute a manufacturing defect, and as such, should be considered when selecting modular carpet and its installation.

These photographs are representations of the installation for this modular product. Your modular installation may look different than these photos depending upon individual tile placement, lighting, and overall space layout, including furnishings. Final tile placement and the resulting visual is thus the customer’s, and not J+J Flooring’s responsibility.
